**LAB 11-572 Early Career:
Measuring Dark Energy with Gravitational
Lensing in the Dark Energy Survey**

DOE National Laboratory: Brookhaven National Laboratory

Principal Investigator (PI): Erin Sheldon

Position Title of Principal Investigator: Associate Physicist

Mailing Address of PI: Bldg 510, Brookhaven National Laboratory, Upton, NY 11973

Telephone Number of PI: (631) 344-3117

Email of PI: erin.sheldon@gmail.com

Program Announcement: LAB 11-572

DOE/Office of Science Program Office: HEP

Topic Area: Cosmic Frontier, Experimental High Energy Physics Research

Topic Area Technical Point of Contact: Eli Rosenberg, 301-903-3711,
eli.rosenberg@science.doe.gov

Year Doctorate Awarded: 2002

Number of Times Previously Applied: 1

PECASE Eligible: Yes
